SEP 13 2013

Mr. R. E. Brammer

Dear Mr. Brammer,

This letter serves as the final response to your July 12, 2012, Freedom of Information Act (FOIA) request #12-179, to the National Institute of Standards and Technology (NIST) for

"Please provide these records shown in the WTCI index from FOIA 12-090."

numClassificationNumber	Category ID	Category Abbreviation	DocTitle
24	8	S	Letter Transmitting WTC Engineering Investigation, Additional Material
25	8	S	WTC 7 Drawings: Architectural, Structural, HVAC, Electrical, Plumbing, Fire Protection
28	17	SOM	Drawing M-1.2P 1 st Floor Part Plan Mechanical, Electrical Rom [MER]
32	17	SOM	Drawing 5-3 5 th Floor Mechanical, Electric Room [MER]

NIST completed the actual search for responsive records and is releasing, in their entirety, four (4) records, consisting of three hundred and fifty-three (353) electronic files, equaling four hundred and twenty-two (422) pages on the enclosed two (2) disks. The search and duplication costs were under the chargeable threshold thus the records are being provided to you at no cost.

Sincerely,

Catherine S. Fletcher
Freedom of Information Act Officer
